

K1 Range

K1 Range

36w TC-L

The K1 is a pendant fitting providing soft local downlight with powerful uplighting.

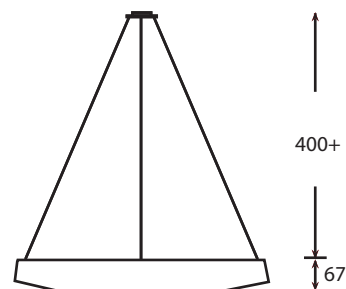

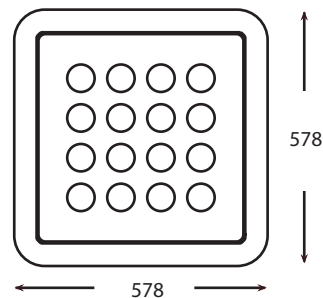

Dimming option available.

Four high efficiency TC-L 36 watt compact fluorescent lamps are used with high frequency electronic control gear.

An emergency lighting option is available with a power supply to maintain 25% light output for three hours.

The standard suspension allows for between 0.4 and 1.0 metres drop. Longer cable sets are available upon request.

16.K104 4 x TC-L 36w

Dimmable

16.K106 4 x TC-L 36w

The dimmer is integrated within the fitting, so simply requires a push switch to operate the lamp. See our Wafer Switches range in section 9.

Emergency 3 hour Maintained

16.K108 4 x TC-L 36W

All equipped with HF Ballast.
