

Vertical Drop

A ceiling plate for suspending Altima's single or double track vertically.

A stylish alternative to conventional track, particularly where there are low or high ceilings. Offers the designer greater flexibility to get more lighting within a confined area.

Any length of track up to 3m may be used. Powerfeeds required.

Important: minimum ceiling void required - 140mm.

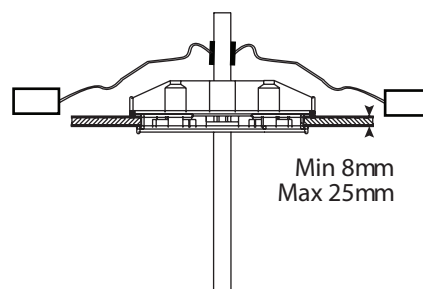

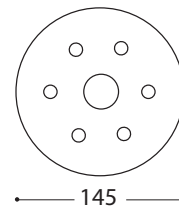

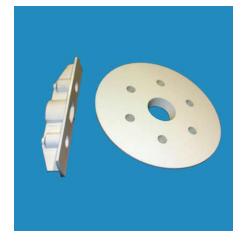

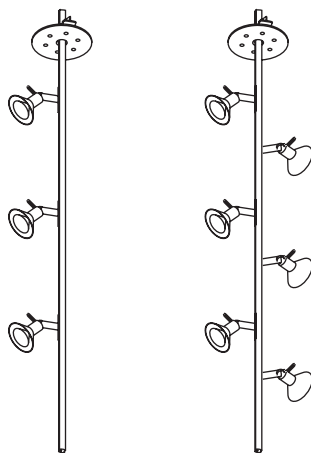

Single Plate

LV.VD1.0010.18	Satin Silver	
LV.VD1.0010.50	Black	
LV.VD1.0010.57	White	

Double Plate

LV.VD2.0010.18	Satin Silver	
LV.VD2.0010.50	Black	
LV.VD2.0010.57	White	

Tracks to be ordered separately
